

PROPERTY MAINTENANCE

(Chapter 364 of the Town Code)

All owners and occupants of any premises in the Town, whether improved or unimproved, shall keep such premises in a clean orderly, and sanitary condition and shall remove there from all refuse, including trash, garbage, brush, weeds, grass over 12 inches in height, or any other objectionable matter, whether vegetable, animal or mineral.

Section 9-307 of the Town Code states, in part, that refuse and containers "...shall not be placed at the curb before 6:00 p.m. on the day preceding the collection" Setting refuse at the curbside prior to its scheduled pickup presents an unsightly appearance throughout the neighborhood. Please adhere to the Recycling & Special Collections Schedules. Setting refuse at the curb prior to 6:00 p.m. on the day preceding the collection is a municipal infraction and *may result in a fine*.

KEEPING OUR GUTTERS & STREETS CLEAN

Section 13.101 of the Town Code states in part, that "it shall be the duty of the property owners or tenants residing within the Town to clean the pavements, gutters and streets, from all the street fronts of the property, and to remove dirt there from."
