Step 2
Application Process

If there are no structural changes that are being made to your business location contact the Department of Public Works to apply for a Use and Occupancy Certificate and the Planning Department for a sign permit.

If you are making building modifications, you must apply for a building permit through the Department of Public Works.

If your business is located in an inventoried historic property, any exterior changes must go before the Historic Preservation Commission.

Planning Department staff members will assist you through each step of the process and answer any questions you may have.

Step 3

What's Next?
