

Designed by the Town of Bel Air Tree Committee, the Memorial Tree Grove offers a centrally located park-like setting for the planting of trees and shrubs as a memorial to special people.

Twelve (12) different tree species are offered. Cost includes plant material, planting, plaque and identification and will vary dependent upon size and species of plant material selected.

A full color rendering of the grove, each selected tree species, and a current cost list is available for review at the following locations:

Town Hall
39 Hickory Avenue
Public Works and Planning
705 Churchville Road
