## Sewer Service Charge Rebate Application

*BEL AIR TOWN CODE §397-21: ABATEMENT OF SERVICE CHARGE*

*Abatement of a sewer service charge may be made by the Commissioners of Bel Air where it has been determined that a particular quantity of water has not been discharged or which was not susceptible of accurate measures into the sanitary sewer system. To be eligible for a rebate, the user must make application to the Commission, making affidavit that the quantity of water used did not and will not enter the sanitary sewer system. The minimum quantity of water use which will be considered for rebate shall be 5,000 gallons.*
