

Town of Bel Air
A Brand New Way to Park

THE SMARTCARD

About The Smartcard

It's convenient.
Use your Smartcard instead of coins to pay for parking at Bel Air meters equipped with an electronic card reader.

It's easy to use.
Simply insert the Smartcard into the meter. The meter will then increment in 30 minute segments. When desired time is displayed, remove the card.

Refunds
If you buy too much time, insert the card back into the meter and the unused time will be refunded to the card.
